Course Description:
The AHA's PALS Course has been updated to reflect new science in the *2015 AHA Guidelines for CPR & ECC*. This classroom, video-based, Instructor-led course uses a series of simulated pediatric emergencies to reinforce the important concepts of a systematic approach to pediatric assessment, basic life support, PALS treatment algorithms, effective resuscitation and team dynamics. The goal of the PALS Course is to improve the quality of care provided to seriously ill or injured children, resulting in improved outcomes.

Intended Audience:
The PALS Course is for healthcare providers who respond to emergencies in infants and children. This includes personnel in emergency response, emergency medicine, intensive care and critical care units such as physicians, nurses, paramedics and others who need a PALS course completion card for job or other requirements.

Prerequisites:
Participants must possess a current American Heart Association Basic Life Support card. **Copy of current AHA BLS card must be uploaded to the registration site, if course was not taken at Cooper University Hospital. BLS must be current the day of course in order to register online.**

Participants must also possess a current American Heart Association PALS provider card in order to register for a PALS renewal course. **Copy of current AHA PALS card must be uploaded to the registration site If course was not taken at Cooper Hospital.**

Please note: In order to register for a PALS renewal course, your current PALS provider card must be current the day of the course date.

The Life Support Training Center reserves the right to deny course registration requests if all required information is not provided.
