

Course Materials:

We will confirm your registration by email. Pre-course information with your username and password for access to the **mandatory** online examination will be sent to you upon receipt of your completed online registration request. **COURSE REGISTRATION IS NOT CONFIRMED UNTIL YOU HAVE RECEIVED THE CONFIRMATION EMAIL. If you do not receive an email within 2 business days after submitting your online registration, please contact the Life Support Training Center at (856) 342-2009.** It is suggested that all participants read the NRP Provider Manual (7th edition) prior to starting the mandatory online examination. This manual is available for purchase from the LSTC for \$70.00. (The manual is included for paying participants). Also available to help you prepare for this course is a 2015 Emergency Cardiovascular Care (ECC) handbook available through the Life Support Training Center for an additional \$30.00.

Refund Policy: Cooper Employees

A non-refundable cancellation fee of **\$100.00** will be charged to Cooper employees who cancel 2 weeks (14 days) prior to the date of the course. A non-refundable "no-show" fee of **\$175.00** will be charged to Cooper employees who do not show for the course. **(NO EXCEPTIONS)** There will be a \$25.00 payroll deduction fee charged for not passing the mandatory online exam and for each additional time you need to repeat the exam until successfully completed.

In addition, **\$100.00** will be deducted via payroll deduction due to lateness and the need to reschedule the course date and/or for not bringing proof of completing the mandatory online examination to class.

Refund Policy: Non-Cooper Employees

Cancellation for NRP courses must take place 2 weeks (14 days) prior to the date of the course for a tuition refund minus the cost of the provider manual and the cost of the online examination.

THERE WILL BE NO REFUNDS OR TRANSFERRING TO ANOTHER COURSE FOR CANCELLATIONS WITHIN TWO WEEKS (14 DAYS) OF THE COURSE DATE.

Course Description:

The NRP course is designed to give the healthcare provider the basic knowledge to care for the neonatal patient in cardiac arrest and to manage resuscitation efforts in conditions that may lead to arrest. This course will provide the skills necessary to resuscitate a newborn and to work smoothly as a team with other healthcare professionals.

Intended Audience:

The intended audience for this course includes pediatricians, emergency physicians, nurses, paramedics, respiratory therapists, and other healthcare professionals who may be involved in the first critical moments of a newborn infant’s life. The Neonatal Resuscitation Program (NRP) course format requires learners to self-study the material from the Textbook of Neonatal Resuscitation, 7th edition, and take a mandatory online examination **BEFORE** attending their NRP course.

Prerequisites:

Participants must possess a current American Heart Association Basic Life Support card. **Copy of Current AHA BLS card must be uploaded to the registration site, if course was not taken at Cooper University Hospital. BLS must be current the day of course in order to register online.**

The Life Support Training Center reserves the right to deny course registration requests if all required information is not provided.
