

## Course Materials:

Pre-course information and the Family & Friends CPR manual will be sent to you upon receipt of your completed registration form and tuition payment. **If you do not receive the precourse information two weeks after submitting your registration form, please contact the Life Support Training Center at (856) 342-2009 or email the office at [LifeSupport@Cooperhealth.edu](mailto:LifeSupport@Cooperhealth.edu)**

COURSE REGISTRATION IS NOT CONFIRMED UNTIL YOU HAVE RECEIVED THE PRECOURSE INFORMATION

### Refund Policy: Cooper Employees

A non-refundable cancellation fee of **\$20.00** will be charged to Cooper employees who cancel less than two weeks (14 days) prior to the date of the course.

A "no-show" fee of **\$35.00** will be charged to Cooper employees who do not show for the course.

In addition, **\$20.00** will be deducted via payroll deduction due to lateness and/or the need to reschedule the course date.

### Refund Policy: Non-Cooper Employees

Cancellation must take place two weeks (14 days) prior to the date of the course for a tuition refund, less the cost of the manual.

**THERE WILL BE NO REFUNDS OR TRANSFERRING TO ANOTHER COURSE FOR CANCELLATIONS WITHIN TWO WEEKS (14 DAYS) OF THE COURSE DATE.**

Use of American Heart Association materials in an educational course does not represent course sponsorship by the American Heart Association. Any fees charged for such a course, except for a portion of fees needed for AHA course materials, do not represent income to the Association.

**The Life Support Training Center reserves the right to deny course registration requests if all required information is not provided.**

**Description:**

The AHA's Family & Friends CPR Course has been updated to reflect new science in the *2015 American Heart Association Guidelines for Cardiopulmonary Resuscitation and Emergency Cardiovascular Care*.

This video-based classroom course teaches adult Hands-Only™ CPR, adult AED use, child CPR and AED use, and infant CPR. It also teaches how to relieve choking in an adult, child or infant.

Skills are taught using the AHA's research-proven Practice-While-Watching technique, which allows participants to practice skills while watching consistent, accurate modeling of skills performance on the course video. Adult, child, and infant skills are presented in three separate modules for added flexibility.

**Intended Audience:**

The Family & Friends CPR Course is for members of the general public who want to learn CPR and prefer to learn in an Instructor-led or facilitated group environment. This course is for people who do not need a course completion card for a job or other requirements.
